Dear Parent/Guardian,

Enrollment selection has been made using criteria approved by Policy Council in determining enrollment for the 2022-2023 Head Start/Early Head Start Program year.

Your child _____ was:

_____**Accepted** into the program for the school year 2022-23. Your child has been placed in _____. Center Address: _____. Classes are scheduled to begin August 17, 2022 for EHS and August 22, 2022 for HS. To complete your child's enrollment, you must complete the Enrollment Home Visit. The Enrollment Home Visit will take place in August. Your child's teacher will be contacting you to schedule a time that is convenient for you at the beginning of August.

Health Screenings will be performed in your child's classroom after the school year begins. The screenings will include vision, hearing, speech, developmental, and mental health. **The parent or guardian is responsible for scheduling a physical and dental for the child.** We strongly encourage you to have this completed by the time school begins.

_____**Not Accepted**, due to full enrollment. Your child has been placed on an **income eligible** waiting list. Your child will be accepted when an opening becomes available and they are next on the waiting list.

_____**Not Accepted**, due to the application submitted. It shows you are **over-income** (meaning your income exceeds the Federal "Family Size and Income" guidelines). Your child will be placed on an over-income waiting list.

Thank you for your interest in our program and we look forward to serving your child and family.
